Risk Statement

No regulatory authority has examined or approved any of the information set out in WP. No such action has been or will be taken under the laws, regulatory requirements or rules of any jurisdiction. The publication, distribution or dissemination of WP does not imply that the applicable laws of any jurisdiction, regulatory requirements, or rules have been complied. To the maximum extent permitted by the applicable laws, regulations and rules, the Company and its affiliates and respective officers, employees or agents, in relation to the Websites, COMM tokens, COMM products and

services will not be liable for any damages of any kind, including, but not limited to, direct, consequential, incidental, special or indirect damages (including but not limited to lost profits, loss of revenue or third party loss whether foreseeable or otherwise, trading losses or damages that result from use or loss of use of the Websites, COMM tokens, COMM products and services). For the avoidance of doubt, the Company expressly disclaims any and all responsibility for any direct or consequential loss or damage of any kind whatsoever arising directly or indirectly from: (i) reliance on any information contained in this document, (ii) any error, omission or inaccuracy in any such information, (iii) any action resulting therefrom, or (iv) usage or acquisition of COMM products and services, available on the website and other electronic platforms.

You confirm and agree that you are not purchasing COMM tokens for purposes of investment, speculation for immediate resale or other financial purposes. Some of the statements in WP include forward-looking statements which reflect the Company's current views with respect to execution roadmap, financial performance, business strategy and future plans, both with respect to the Company and the sectors and industries where the Company operates. Statements which include the words "expects", "plans", "believes", "projects", "anticipates", "will", "aims", "may", "would", "could", "continue" and similar statements are of a future or forward- looking nature. All forward-looking statements concern the matters that involve risks and uncertainties. Accordingly, there are or will be important factors that could cause the Company's actual results to differ significantly from those indicated in these statements. These factors include but are not limited to those described in TPA, which should be read before purchasing of COMM tokens.

Any forward-looking statements in WP reflect the Company's current views with respect to future events and are subject to these and other risks, uncertainties and assumptions relating to the Company's operations, results of operations and growth strategy. These forward-looking statements are valid only on the date of WP publication. The Buyer should specifically consider the factors identified in WP and TPA which could cause actual results to differ before making a purchase decision. No statement in WP is intended as a profit forecast and no statement in WP should be interpreted to mean that the earnings of the Company for the current or future years would be as may be implied in WP.
